1. Review Minutes of September 10, 2007 Meeting - David Bailey

Accepted.

2. Treasurer's Report – Linda Smith [10 min]

Small difference on Spamalot tickets with Connie...approved for \$4.00 difference. Newsletter on slightly better paper, but essentially same price. See Report. Accepted.

3. Neighborhood Watch Report – Bob Kachur [5 min]

Potluck was successful. West area was full. One tour after holidays...2 until then. More graffiti on Wakefield Chapel/Pappas. Little flyers on cars...probably not acceptable to 'touch' cars....encourage neighbors driveway and/or garage.

4. Mastenbrook Grant Proposals – Bob Kachur [10 min]

2 estimates. 1 in and written....from Solar Landscaping. Clearing all to sidewalk, 4 feet wide, path and woodchips, 2 sets of handrails, bridge, 2 benches with concrete footings, remove any stumps ... total \$15,410...county to pay half. 2nd part of trail will take extensive work. Liability of bridge? County code 'should' meet requirements and absolve. 2nd company does stream restoration but since stream has 'no water'. Can start anytime, but Bob relayed that it wouldn't be soon.

5. Community Affairs Report – Ivan Dietrich [5 min]

Next meeting...

6. LRCA Link – Anne Richardson [10 min]

Derrick to call Anne for update. Connie to send info. 'Great Pumpkin' article from Joe Mills in front of Dr Forrest's (dentists)...4th place, Richmond State Fair. Hayride article from Mary Ann.

7. Membership Report – Frank Judnich [10 min]

All membership delivered to block captains. Area 5-Block5 are in. Several data sheets to be entered by Nancy. Email addresses on sheets provided by Frank. Shooting to get all things done by 10/31 'optimistically'. Emphasized to all area captains that this is for new directory.

8. LRCA Directory Production Update [5 min]

Dependent on getting all forms. Nancy to contact Lorraine Riley to possibly do?

9. LRCA Website Redesign – Derrick Chamlee [10 min]

Derrick given much of information (from LRCA directory) to Judy. Have not heard back from Garden Club, but emailed Connie. Derrick needs description of 'Garden Club'. Have Yahoo description from Tina. Can use all this info for Website (Frank). Minimart likely not to go on yellow pages for 'youth' protection. LRCAmembership@cox.net...Frank's suggestion.

10. Upcoming Events [10 min]

Dumpster Day...\$650 but depends on weight, 8-12 with Bob gets to throw out first, but 'nice lady' that worked there, no longer does. Signs are out. Note to Rick Jones, but signs not out...Connie to report back to Bob about Springbrook sign. Ok with pool as long as long as far end of Park.

Oktoberfest - starts - 4 to 8. Dinner starts around 5. Homecoming for Woodson. Email from Tim, if anything we can do.

Hayride - still working on permission slip, in communication with various people. Connie to possibly bring chiminea.

National Theater - still on, Connie has sent check in. 16 tickets sold.

Ilda Pavilion - Tim has not yet provided proposal for Derrick...maybe next month.
