**2. Treasurer's Report – Linda Smith**

A total of 174 members sent in their dues.

The balance as of November 30, 2008 was \$12,803.59

The Treasurer's Report was reviewed, accepted, and seconded as written.

**3. Neighborhood Watch Report – Bob Kachur**

Six new magnetic neighborhood watch signs were ordered and will be delivered soon. Nancy Gordon will provide Linda with a receipt.

**4. Mastenbrook Grant Proposal Update – Bob Kachur**

Bob sent an estimate, via email, from Solar Landscaping & Tree Service for improving the trail running through Willow Woods Park. The work includes clearing the trail, 2 benches, and a bridge to cross the small stream. The bid also included \$4,800 for covering the path with wood chips. The board discussed whether or not gravel might be more appropriate or if we need a covering at all. We are not sure if it is a county regulation. The board would like the company to specify what type of benches they will provide. The next step is to run the estimate by Fairfax County. The total cost of the project is \$15,410 with Fairfax County paying for half of the total.

**5. Community Affairs Report – Ivan Dietrich**

2007-2008 Braddock District Council dues. Did we already pay this?
