Approved minutes provided by Derrick (thanks...last meeting David was absent).

2. Treasurer's Report – Linda Smith [10 min]

See provided report from Linda. Correction of \$400 in debits – cash back in. Additional in for memberships – however, not usual amount to this point. Most of area one has been accounted for.

3. Neighborhood Watch Report – Bob Kachur [10 min]

Bob is heading one of watches. LRCA could put a note about stolen bicycle in newsletter...perhaps reiterated driveway and garage suggestions. No magnetic signs yet...but Nancy has ordered them.

4. Mastenbrook Grant Proposal Update – Bob Kachur [20 min]

See provided report from Bob. Discussed notes – The bridge at south side of park (currently a wood palette) needs to be replaced. Rock or wood chip covering along path needs to be vetted with county...perhaps other options too (1964 community plan was very elaborate). Association still has about \$3,000 for matching funds. Bob can make decisions with regards to the park project up to \$10,000, and Mary Ann will be available to help. Currently, the submission has been approved to approximately \$7,700 (free mulch not in).
